

Year 1 English Overview

• Reading – Word Recognition

Pupils should be taught to:

- apply phonic knowledge and skills as the route to decode words
- respond speedily with the correct sound to graphemes (letters or groups of letters) for all 40+ phonemes, including, where applicable, alternative sounds for graphemes
- read accurately by blending sounds in unfamiliar words containing GPCs that have been taught
- read common exception words, noting unusual correspondences between spelling and sound and where these occur in the word
- read words containing taught GPCs and –s, –es, –ing, –ed, –er and –est endings
- read other words of more than one syllable that contain taught GPCs
- read words with contractions [for example, I'm, I'll, we'll], and understand that the apostrophe represents the omitted letter(s)
- read aloud accurately books that are consistent with their developing phonic knowledge and that do not require them to use other strategies to work out words
- re-read these books to build up their fluency and confidence in word reading.

• Reading - Comprehension

Pupils should be taught to:

Develop pleasure in reading, motivation to read, vocabulary and understanding by:

- listening to and discussing a wide range of poems, stories and non-fiction at a level beyond that at which they can read independently
- being encouraged to link what they read or hear read to their own experiences
- becoming very familiar with key stories, fairy stories and traditional tales, retelling them and considering their particular characteristics
- recognising and joining in with predictable phrases
- learning to appreciate rhymes and poems, and to recite some by heart
- discussing word meanings, linking new meanings to those already known
- understand both the books they can already read accurately and fluently and those they listen to by:
 - drawing on what they already know or on background information and vocabulary provided by the teacher
 - checking that the text makes sense to them as they read and correcting inaccurate reading
 - discussing the significance of the title and events
 - making inferences on the basis of what is being said and done
 - predicting what might happen on the basis of what has been read so far
 - participate in discussion about what is read to them, taking turns and listening to what others say
- explain clearly their understanding of what is read to them.

NB: To ensure coverage of new NC programme of study for Y1, teachers should highlight and date each objective, as and when it is covered. Please note, this outlines the statutory core knowledge that has to be taught in Y1. Please add to this and enhance it to avoid superficial joining of the dots coverage. Remember purpose & vision – think big & beyond!

NB: To be on track to meet EoY expectations in writing, Y1 pupils should meet the termly targets above. Pupils need to prove that they can consistently meet all of these targets and that the skills are imbedded into long term memory. The targets can be used to ensure coverage of the NC and can also be taught in any order. They can be stuck into pupil's books but must be adapted by each school to meet the needs of each class. These are the bare essentials only and should not hinder accelerated progress. You need to go beyond the bare minimum.
